

Corpore is an award-winning absence, injury and risk management provider who offer innovative solutions in controlling the rising costs of personal injury claims, by assisting injured people back to function and work. We are dedicated to delivering a high quality and value offering service to insurers and the corporate market.

INJURY MANAGEMENT CONSULTANTS (FIELD SERVICES TEAM) - Ref: 261 (St. Albans) / Ref: 278 (Cardiff) / Ref: 260 (Manchester) Ref: 262 (Leicester) Ref: 277 (Glasgow)

Our team of Injury Management Consultants provide proactive injury case management post incident, encouraging and facilitating a timely resolution of injury and return to work activities through face-to-face assessment and management. As an Injury Management Consultant you will have the opportunity to utilise all of your professional skills within the case management setting by conducting assessments with clients in their homes, workplaces and other settings.

We are looking to recruit suitably qualified Occupational Therapists and Physiotherapists with experience in major orthopaedic, catastrophic and psychological injuries to join the field based team. Ideally you will have previous experience within a case management / vocational rehabilitation setting, with proven skills and ability in communicating with the relevant stakeholders, identifying suitable return to work solutions and writing professional comprehensive reports. Positions are available with immediate start dates.

Corpore are part of the Cunningham Lindsey Group, if you would like to be part of our team and its future success, please apply via www.cunninghamlindsey.com/uk. Follow the Job Search link and select application to apply for the relevant position. Should you wish to discuss any of the above positions prior to applying, please contact Jacqueline Salvidge, Regional Manager, on 0161 910 5022.

Corpore is committed to Equal Opportunity and Diversity. We aim to ensure that no job applicant or employee receives less favourable treatment on the grounds of race, colour, nationality, religion, ethnic or national origins, age, gender, marital status, sexual orientation or disability.
